This is a companion volume to the author's study and translation of The Cakrasamvara Tantra (AIBS 2007). It includes an introduction to the textual history of the Cakrasamvara Tantra; a critical edition of the Sanskrit text, based upon available manuscripts, commentaries, and intertexts in the Buddhist explanatory tantras; a critical edition of the standard Prajñakīrti-Mardo revised Tibetan translation, based upon seven print redactions; a diplomatic edition of the Sumatikīrti-Malgyo revised translation, as preserved in the Phug-brag manuscript Kangyur; and an edition of the extracanonical Sumatikīrti-Mardo translation, based upon two surviving prints.
