One small dachshund One prairie dog with autism Two unlikely heroes. Follow the adventures of Zack and Cody in S. Charles Deckers heart-warming tale, Zack the Prairie Dog, and learn that being different, physically or within, always comes with qualities to embrace. This seemingly simple tale has many layers to discover and will grow with your child. Autism awareness, prejudice, accepting differences in self and others, overcoming fear and the power of faith and friendship are all blended in an exciting, easy to read story. In Zack the Prairie Dog, you will see In heavens eyes, we are all special. This is an eLIVE book, meaning each printed copy contains a special code redeemable for the free download of the audio version of the book.
