Having a sweet tooth was never so much fun! 'Mix Mix Chocolate' - a game involving two guys, lots of girls, and lots of chocolates. And hidden amongst those chocolates is a single Garana chocolate. If any of the girls land the Garana, they get to have sex with the hottest guy in the class, Kakiuchi! If one of the guys get it, they get to pick anyone they want to have sex with. But what happens when one guy, Ogasawara, gets the lucky Garana and asks the other guy to have sex with him?!
