著者:Villalba, J. M.

出版者:

出版时间:2010-5

装帧:

isbn:9788496658189

Another spectacular book in the highly respected Andrea Press series that started with

Mig's Armor Modelling book and now includes other volumes on figure painting and cars and trains. The level of detail here is unprecedented and offers a wealth of information for even the most seasoned modeler. Packed full of full color step-by-step pictures. Expensive? Can't deny it-worth it? Absolutely
