This unique handbook for fresh arrivals to the United States outlines common American practices, beliefs, and customs. Written in a colloquial style and drawing on examples from history and popular culture, the author provides priceless insights on why Americans behave as they do and answers the important questions a visitor might ask, from why Americans appear so open and optimistic to how to negotiate with Americans or act at a dinner party. Full of practical advice (how to extend your visa) as well as invaluable guidance on how to understand American society (covering topics like political parties, privacy, family, work, and money), this handy book is an ideal reference for anyone new to the United States! Includes: / Short, accessible chapters packed with numerous examples and tips / Valuable information for exchange students and business travelers / Glossary of commonly used words, idioms, and expressions with meanings/origins / A list of recommended further reading

评论

差强人意, 每章都讲得草草了事, 而且不喜欢作者总是在里面提到我们国家, 我们美国, 我们美国人..
