Monkey is in a hurry! He is on a special journey with his best friend Panda to see a beautiful surprise. Monkey is so excited to see what lies ahead he can hardly wait—even for Panda. “Let’s get going, Panda-plod,” Monkey yells. But suddenly he’s moving too fast and Panda needs to rescue him. Will the two friends make it to the mountain in time for the surprise? The beautiful illustrations capture the gorgeous countryside in this moving story about friendship.
