Real Time Leadership Development provides research and practices-based guidance and tools for leaders to use to fully leverage experience-based development for their own growth and to build the next generation of leaders in their organization. Teaches you how to identify the key experiences, competencies, and relationships that are critical in the development of current and future leaders. Answers the question "Leadership for the sake of what?" by helping you identify your leadership principles and think about your legacy. Provides guidance on organization-wide metrics such as employee surveys, succession management metrics, and performance development plan audits. Includes "Taking Action" sections that provide tools for developing future talent in individuals, teams, and organizations. Discusses relevant books, articles, and research studies that deepen your understanding of the subject matter.
