Story Circle is the first collection ever devoted to a comprehensive international study of the digital storytelling movement, exploring subjects of central importance on the emergent and ever-shifting digital landscape. Covers consumer-generated content, memory grids, the digital storytelling youth movement, participatory public history, audience reception, videoblogging and microdocumentary

Pinpoints who is telling what stories where, on what terms, and what they look and sound like

Explores the boundaries of digital storytelling from China and Brazil to Western Europe and Australia
