Learn to play bass guitar the easy way, following simple illustrated lessons from all styles of music. Lessons start with the basics - how to hold the bass, how to tune and start playing - and take the student to a playing level with sufficient skills to join a band. Each lesson is written in the standard TAB format with easy-to-read rhythm notations, and step by step pictures of the correct finger positions. Also includes a library of scales

and a CD of correct bass lines and bass-free music tracks to play along with. Over 40,000 copies sold worldwide.
