The remarkable Lindsey magic is stronger than ever The spectacular #1 bestselling author presents a glorious tale of passion and duty set in medieval England. A betrothal has been announced that will join together Britain's two most powerful families - a union of wealth and influence to rival even the King himself. However, not only does the ambitious King John oppose this wedding, but Milisant and Wulfric - the intended bride and groom - are equally unhappy with the arrangement. Two passionate, headstrong people, they resent being thrown together for purely dynastic reasons. But fate's many twists and turns - and the unpredictable predilections of two unconquerable hearts - will turn an unwanted marriage of convenience into a true and eternal joining of desire and love. "Always, Ms. Lindsey gives us what we want - a memorable, wonderful read that brings us laughter and joy. That's her magic." --
