About the Mystery and the Minister's Wife series: Escape to the charming town of Copper Mill, Tennessee. Nestled in the foothills of the Great Smoky Mountains, Copper Mill is a place of tradition and tranquility. But when Kate Hanlon and her husband Paul move in, they discover that small town life is anything but boring. The mysteries Kate uncovers are puzzling, but she always uses her quick mind and the help of her dear friends to figure out the answer. See how faith can solve life's mysteries in the Mystery and the Minister's Wife series. With summer just around the bend, Kate is delighted to see how Faith Briar Church's Faith Freezer Program is meeting the needs of the elderly citizens in Copper Mill. But when a series of thefts indicates that one of the volunteers is stealing from the shut-ins, the whole program is cast into doubt. Who would do such a thing? Kate begins to investigate, but ancient secrets, old jealousies and long-lost love complicates the truth. Meanwhile, Paul is harboring a secret of his own: his new bluegrass band, hoping to perform at the upcoming Summer Concert series, is practicing at the notorious roadhouse The Dew Drop Inn. The group's jam sessions end in discord, and their location leads to suspicions about the pastor's real pastimes. As they struggle to bring harmony back to Copper Mill, Kate and Paul are reminded that they can always have hope for the future, for the best is yet to be.
