One of the most popular mommy-bloggers thanks to a humorous eBay listing about her child's baseball which was circulated rapidly until she became a household name, Dawn Meehan offers readers a hilarious journey along with her six kids on madcap adventures, underscoring the notion that a sense of humour is an essential parenting skill. This book affirms that parents are not alone in the daily chaos, struggles and joys of child-rearing. With a huge dose of laugh-out-loud, real-life examples, Dawn shares hard-won wisdom gleaned from life with six children. With refreshing honesty, she examines episodes from her everyday life and spins them in a humorous light, offering reassurance and guidance to overworked, over-stressed parents. Her stories communicate that it is okay for children to be children. Poignant and amusing, this is a refreshing and instructive look at the mistakes we all make in child-rearing and a hilarious testimony to parents who don't have it all figured out.
