About the Mystery and the Minister's Wife series: Escape to the charming town of Copper Mill, Tennessee. Nestled in the foothills of the Great Smoky Mountains, Copper Mill is a place of tradition and tranquility. But when Kate Hanlon and her husband Paul move in, they discover that small town life is anything but boring. The mysteries Kate uncovers are puzzling, but she always uses her quick mind and the help of her dear friends to figure out the answer. See how faith can solve life's mysteries in the Mystery and the Minister's Wife series. When a stolen car crashes through the front window of the Country Diner, Kate vows to find the mysterious driver, who has somehow vanished into the night. But when her wallet is discovered in the front seat of the car, she has a whole new reason to find the real culprit. How did it end up there? Meanwhile, when Paul breaks his ankle in a church basketball game, Kate finds herself caring for her ailing husband, and the diner's owner Loretta isn't talking about when, but if, the restaurant might reopen. Is this all simply a test of faith, or is this a sign that the Hanlon's time in Copper Mill is coming to a close?
