"Let the adventures begin "What do the Magic Tree House, Junie B. Jones, A to Z Mysteries, Andrew Lost, and Nate the Great series have in common? Not only are the main characters spunky and lovable kids whose exciting adventures have captivated readers for decades--they're also all found in one place in the Favorite Series Starters boxed set. This is the first-ever sampler of its kind, introducing young readers to five favorite series through the first book in each. Kids will be clamoring to read more--and will have five different series to pursue--after they've read the "favorite firsts" in this collection.
