What is it about the wrong man that feels so right?"Enticed" by Stephanie BondAs if attorney Kimber Karlton's life wasn't stressful enough, she's a day late and a boat short for her own romantic getaway at a secluded island retreat. Enter rugged rogue Finn Meyers: ship's captain, jungle guide...sex god."Propositioned" by Leslie KellyLiz Talbot left her cheating husband and demanding career to tend bar in St. Lucia, and nothing could lure her back. Even handsome millionaire Jack Beaumont and his propositions--business and otherwise--can't tempt her...or can they?"Fevered" by Lori WildeInvestigative journalist Macy Gatwick wants Armando Cutler so badly she can taste it. For a story, of course--a juicy expose about the corporate wunderkind's exile to Costa Rica. But her objectivity and inhibitions dissolve amidst the steam of the jungle.
