Being turned into a vampire is the easy part. Actually becoming a vampire is far more difficult. In today's world of vampire-obsessed pop culture, misinformation abounds. A newly turned vampire who looks to movies and novels for answers to everlasting life's questions will inevitably be reduced to a smoldering pile of dust. So whom can you, a neophyte immortal, trust to provide reliable information and proven strategies for leading your best and bloodiest existence? The Vampire Miles Proctor, editor of *The New Vampire's Handbook*. In this definitive guide, the newly turned will find - a head-to-toe look at your vampiric body: how to harness your new powers to dispatch mortal enemies, maintain your fangs, and embrace your vampirosexuality- methods for luring prey, faking your way through meals, approaching other vampires, and creating a four-hundred-year financial plan- tips on acting your "age," behaving appropriately if you see a human you knew decades ago, and dealing with epic vampire feuds- essential advice for blending in with the masses, from finding a coven to avoiding the media (and mirrors) to staying on top of the latest fashion trends- the joy of scrapbooking Plus helpful online resources, a glyph guide, renovation instructions for emergency lairs, a Ruling Families directory, nightly mantras, and personal anecdotes from The Vampire Miles Proctor's nearly five hundred years of experience. Welcome to the night.
