Mixing elegance with an island attitude, Louie's Backyard is an award-winning Key West, Florida restaurant famous for its fine food and relaxed oceanfront ambience. Lunch regulars say the Conch Fritters are the best in Key West, and dinner regulars praise the Conch Chowder. Everything is homemade in the restaurant, from the tangy Balsamic Vinaigrette to Louie's famous Key Lime Pie. The entrees are an artist's creation with the finest ingredients, from the Jerk-Rubbed, Free-Range Chicken Breast with Black Beans and Papaya Salsa to the Sauteed Key West Shrimp with Bacon, Mushrooms, and Stone-Ground Grits."Louie's Backyard Cookbook" not only contains the creative recipes of Executive Chef Doug Shook but also takes you to the edge of the sea with photos and stories that will make you feel the ocean's breeze. It is the next best thing to experiencing the islands themselves. This important addition to the Roadfood(TM) Cookbook series is sure to be a favorite with people in the Keys and throughout the country.
