This is a collection of touching, true stories about the poignant connection between Baxter, an 18-year-old therapy dog, and the hospice patients and their families to whom he brings comfort and love. During the last four years, Baxter has helped hundreds of patients ease out of their lives with dignity and peace. His uncanny intuition and almost human responsiveness demonstrates the unique and inextricable bond between human and dog. This title features 36 true and touching stories of canine/patient connection.
