When he and his brother meet up with a neighborhood friend to uncover an urban legend, they find more than they have bargained for, digging up the secrets of the past. Come to find out, Coney Hill is not your typical set of project apartments, for beneath it was a meeting place for a secret cult called the Gatherers. Now on the return home, a mysterious group has surfaced, butchering teens involved in new age spirituality and framing them as if they had heavy involvement in violent ritual sacrifices. Is this the same group of Gatherers that Hector has unearthed? As the timeline unfolds, the secret of this ancient group is revealed. Solely assembled out of fear they face the power of one boy.
