A new edition of the classic Berenstain Bears story, ideal for children just beginning to read on their own. When the Berenstain Bears go acrobatic in the hilarious Bears on

Wheels, pre-school children begin to relate words to pictures while learning about numbers and counting. / "I can read it all by myself" is the Beginner Books motto, and behind it is an understanding of how important it is for children to take pride and pleasure in their early reading. / Beginner Books have been designed to appeal directly to children through the use of humour, rhyme and bright pictures that can be "read" even by the non-reading child. / Some Beginner Books are simple stories, others are hilarious nonsense: both types have been designed to give children confidence and make them go on reading.
