A compelling second collection of poetry. "Not This Pigs shows Levine] to be a poet of growing power and strangeness. In most of his poems Levine sketches in an apparently concrete experience, but he blurs the edges so that the reader is propelled into the realms of mystery."-Judson Jerome, Saturday Review . "one of the best books of poetry to come out of the sixties.his perspective is usually so healthy and so complete that I have come back to the poems again and again."-James McMichael, The Southern Review
