With applause for Crime and Puzzlement 1 and 2 still ringing in his ears, Lawrence Treat has conjured up yet another devilishly delightful collection of picture mysteries - this time for young readers.

The clues are in the picture; it's up to you, the young detective, to size up the situation

and solve the mystery.

Who stole the jade horse from under Jenny Jackalanda's nose? What did Cheri's mysterious letter really say? Who took Minnie Rahrah's diamond necklace? You find out!
