著者:Suzanne J. Kessler

出版者:University Of Chicago Press

出版时间:1985-6-15

装帧:Paperback

isbn:9780226432069

Kessler and McKenna convincingly argue that gender is not a reflection of biological reality but rather a social construct that varies across cultures. Valuable for its insights into gender, its extensive treatment of transsexualism, and its ethnomethodological

approach, "Gender "reviews and critiques data from biology, anthropology, sociology, and psychology.
