In his commentary, Ralph Martin singles out two themes that are high on today's agenda of theological and practical inquiry and planning. These themes are the cosmic dimensions of Christological teaching and the role of the church as God's locus and agent of reconciliation. In this examination, the author allows Paul's voice to be heard again on these important themes. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.
