Each book/audio cassette package in this series teaches the reader the practical everyday Spanish that he or she needs to survive in real-life situations. Every topic is dealt with at an elementary level. This book/audio cassette package will supplement any basic textbook to give students the real everyday vocabulary needed to survive and the cassette will provide essential pronunciation drills and exercises in developing effective listening skills. The cassette is keyed directly to corresponding material in the book. The cassette is of 60 minutes duration.
