出版时间:1993-1-27

装帧:Paperback

isbn:9780300054293

Paul's letters, the earliest writings in the New Testament, are filled with allusions, images and quotations from the Old Testament. This book investigates Paul's appropriation of Scripture from a perspective based on recent literary-critical studies of intertextuality.

This is so good! A seminal work in Pauline scholarship. Hays incorporates literary criticism skillfully to examine the intertextual links between Pauline epistles and the Old Testament. Ecclesiocentric interpretation and the resounds of scripture in Paul's letters. The fusion of readings brings forth a new figuration of grace. A remarkable work.
