出版者:The Jewish Publication Society

出版时间:1984-12-1

装帧:Paperback

isbn:9780827603974

"Halakhic Man" is the classic work of modern Jewish and religious thought by the twentieth century's preeminent Orthodox Jewish theologian and talmudic scholar. It is a profound excursion into religious psychology and phenomenology, a pioneering attempt at a philosophy of halakhah, and a stringent critique of mysticism and romantic religion.
