Librarians, teachers, and others who work with toddlers will find a treasure trove of useful material in Toddler Storytime Programs. Part I of the book contains twenty-five theme programs which feature book suggestions, fingerplays, puppetry ideas, games,

activities, songs, and crafts. Among the program themes offered are: Gone Fishing, Teddy Bear's Picnic, Jungle Safari, Yummy!, Daddy and Me, Toddler Snow Party, and Spring Fling. Part II features a collection of flannel board stories, poems, and songs with full-size reproducible patterns. Each selection coordinates with a program theme in Part I and has simple directions for successful storytelling. A literature index, an index to fingerplays, and a music appendix with guitar chords are also included.
