出版者:Albatross

出版时间:2000-04

装帧:Paperback

isbn:9780920256312

A complete handbook on how to select and finish out a fiberglass hull and deck. A complete step-by-step guide covering every aspect of fiberglass boat completion--woodworking, electrical, plumbing and hardware installation--with hundreds of tips on how to save time and money during construction as well as purchase. With over 100,000 copies in print, From a Bare Hull has become the reference book for home builders as well as many professionals. The Revised Edition

contains all new photos and illustrations, much new text, new specs of the best sailboats available for home completion, the newest marine diesels, and the latest list of marine gear suppliers. It also has completely updated design theories, engineering concepts, descriptions of necessary tools and their uses, and lists of materials.
