# Systematic Theology

著者:Robert W. Jenson

出版者:Oxford University Press

出版时间:1997-8-7

装帧:Hardcover

isbn:9780195086485

The full systematic theology which Jensen begins with The Triune God: Systematic Theology I promises to be the capstone of his long and distinguished career as a theologian. Jensen begins this first of two volumes with an extended discussion of the nature and norms of theology. He then devotes the bulk of the volume to the identity and being of the biblical God, including classic christological and soteriological questions most systems take up elsewhere.
