The Prisma suite of English-Swedish and Swedish-English dictionaries is recognized around the world as the best resource for these languages. Students, travelers, scholars, and native speakers have depended on Prisma for over 25 years, making these the best-selling of all Swedish-English dictionaries. The unabridged volumes have now been updated and revised in a new third edition. These companion volumes each have over 50,000 entries, phonetic transcriptions, and codes for inflections on nouns, adjectives, and verbs.
