For Bears in the Woods, Eleanor teamed up with designer Sue Bouchard to bring you country-inspired holiday projects and a charming picture quilt using the Log Cabin, Bears Paw, Tree, and Flying Geese blocks. Appliqued bears and caribou make these

projects come alive Decorate your holiday table with handmade gifts and ornaments, and a basketful of woodsy quilts. Instructions are included for finishing your quilts with techniques such as stippling, stitch in the ditch, applique, and binding. This book contains quilt sizes for wallhanging, full and queen/king.
