This is a comprehensive guide to the world's largest financial market. Foreign exchange is the world's largest financial market and continues to grow at a rapid pace.

As economies intertwine and currencies fluctuate there is hardly a corporate entity that doesn't need to use options on foreign exchange to hedge risk or increase returns.

Moreover, currency options, both vanilla and exotic, are part of standard toolkit of professional portfolio managers and hedge funds. Written by a practitioner with real-world experience in this field, "Options on Foreign Exchange" opens with a

substantive discussion of the spot and forward foreign exchange market and the mechanics of trading currency options.
