Three new chapter books feature Arthur and his friends for fans ready to read on their own. Each book features longer Arthur Adventures at a third-grade reading level and has loads of kid appeal. Arthur is in top form as he tries to figure out who Muffy's secret admirer is, enters a poetry contest with all his friends, and attempts to rein in Buster's ego when he becomes a local hero. Arthur fans will want to read and collect all of these new chapter books
