This highly successful program offers a flexible, concise introduction to grammar and communication for students and professionals seeking a working knowledge of the Spanish language. Designed for one- or two-semester courses in Introductory Spanish, Basic Spanish Grammar offers a wealth of features and components that also make it ideal for college extension courses, adult and continuing education courses, and Spanish courses for professionals or special purposes. In six correlated manuals, students apply the structures presented in Basic Spanish Grammar to practical contexts and develop vocabulary for specific purposes.
