What does Frankenstein have that a skeleton wants? Sounds like a bad Halloween joke. But Sammy Keyes isn't laughing. She's the one who collided with the skeleton while he was making his getaway. And she's the one who discovered Frankenstein tied to a chair with his head twisted around. Someone's taken "trick or treat" way too far. When Sammy tries to puzzle out what really happened Halloween night, she's amazed at how many people have something to hide -- and how far they'll go to keep their disguises intact. Of course, Sammy's got a few secrets herself. And more than a few tricks up her sleeve. She'll need them all to unravel this tale of greed and grudges and getting even...

前段时间听完的，补录一下。我终究还是不喜欢听书~

喜欢上这个系列了，第四本，继续读下去

这个听得没有第一部久，但是也久到足够我忘记出场人物了……完全不记得嫌犯在什么时候出现过。不过Sammy撕Heather真的好精彩哈哈哈
