Guy Strang is convinced that the man and woman with whom he has lived all his life cannot possibly be what they claim to be: his parents. In fact, they're too weird to be anyone's parents -- except maybe the most unappealing kid in Guy's whole class, nose picker Bob-o Smith. And Bob-o's parents are as normal as parents come -- just like Guy. Could Guy and Bob-o have been ... switched at birth? In her debut novel, talented author Sarah Weeks puts a hilarious new spin on a common adolescent experience.
