On a beautiful moonlit night the Mole Sisters gaze at the sky. When a brilliant shooting star blazes past, they make a wish together and soon they are imagining the world from a wonderful moon vista. On a moonlit night anything can happen. The Mole Sisters make the most out of each day. Full of fun, imagination, and quiet confidence, these are small creatures with very big hearts. Their unfaltering optimism is contagious, bringing smiles to faces everywhere. With bright, lush colored-pencil artwork, Roslyn Schwartz conveys the Mole Sisters' love for life with a minimum of text that is easy to follow for toddlers and preschoolers. Praise for The Mole Sisters "Always upbeat and jolly, the characters are gentle companions. The small format is perfect for

little hands."("School Library Journal") "Charming, whimsical, and as refreshing as cool water on a hot day...highly recommended for small children and depressed adults."("Canadian Book Review Annual") "The moles' giddy cheer carries readers along in the quirky plots. This light, playful pair of books provides sunny company."("Publishers Weekly") "Let's just say these books delight from start to finish."("The Globe and Mail") "Adults should keep these around instead of worry balls: They are immensely good for the soul."("The Ottawa Citizen")
