

The Urban Stampede and Other Poems

[The Urban Stampede and Other Poems 下载链接1](#)

著者:F. D. Reeve

出版者:Michigan State University Press

出版时间:2002-01

装帧:Paperback

isbn:9780870135941

In both the long poem, which is the centerpiece of this collection, and in the shorter poems, Reeve takes risks in order to explore the meaning that poetry gives to life -- an immediately apprehensible vision apt in size and shape to our idea of the world, one in which the language of hands speaks to a guiding practical faith and the language of the mind leads to understanding and delight.
