This anthology displays the tapestry of religious experience in America during the past three centuries. Compiled and edited by a foremost historian of American religion, these twenty-six spiritual autobiographies, ordered chronologically, uniquely capture the nation's soul in the words of the people who helped shape it. "Featuring a full-page portrait of most of the writers included in the volume as well as insightful introductory comments by Edwin Gaustad, *Memoirs of the Spirit* offers an enlightening view of America's rich religious past - and suggests the multiplicity that is America's religious future.
