Citadel Press is proud to announce the newest titles in the Wisdom Library, a collection of books showcasing the thoughts and writings of diverse literary, philosophical, political, and scientific immortals. These books deserve a place on every home bookshelf and in every student's basic library. A giant of modern literature, Tolstoy was

born an aristocrat and by the age of 26 had been both a landed noble and a bloodied soldier. Disenchanted by both lives, he became a writer. The theme of this volume, excerpted from *My Religion*, is nonviolent resistance, a concept later embraced by Gandhi and Martin Luther King.
