社会学习和阅读丛书美国本土人视角分册，用一手资料和亲历者记录来介绍历史上的重大事件：信件、演讲、日记摘录、新闻报道、诗歌、短篇小说、歌曲、卡通。帮助学生深入了解历史，为更高层次的学习做准备。 A closer look into a time most high school social studies students know little about, Japanese-American Internment documents the exclusion, removal and detention of Japanese citizens and immigrants, and the lengths to which the United States went to contain the perceived "fifth column on the West Coast." The text concludes with retrospective pieces, as well as the proclamation of apology signed by then-President Gerald Ford in 1976, and the recommendations of the Commission on Wartime Relocation and Internment of Civilians. It is presented in five parts: Pearl Harbor and Anti-Japanese Bias Evacuation and Internment Life in the Camps Fighting In the Courts and on the Battlefields Remembrance and Redress
