

# The Ten Percent Solution

[The Ten Percent Solution\\_下载链接1](#)

著者:Allen, Marc

出版者:

出版时间:2002-2

装帧:

isbn:9781577312130

Allen desires to share an important message: many individual and societal woes would be eliminated if people followed two old-fashioned traditions: saving 10% of their income until they reach financial independence and giving away 10% of their income to charitable or social organizations. An inspirational message. Softcover.
