In this book, renowned author and family psychologist Peter Goldenthal offers proven prescriptions for brothers and sisters who want to break through old, destructive patterns and create a richer, more loving, and more rewarding relationship with their adult siblings. Using dramatic case histories drawn from his own clinical practice, Dr. Goldenthal helps you understand why adult siblings fight. Warmly and insightfully, he presents practical techniques to: Communicate with and listen to your sibling Free yourself from past resentments Cope with your sibling's selfish or inconsiderate behavior Support and comfort a sibling who suffers from mood problems Manage a sibling's difficult personality Help your children avoid sibling problems Don't let old hurts and destructive behavior patterns overshadow the love you feel for your sibling.
