The process of tracking a multiple fire setter begins before profilers are called in to help. This book will help your department identify MFS patterns and understand the motivation behind these crimes, as well as learn why it is so important to track this type of offender. Author Brett Martinez explains all of the basics ? from setting up a suitable work environment to recording information into a final report that will be useful to all personnel involved in the investigation. All of these items have been packaged in a concise format to allow the reader to get down to the business at hand ? stopping further fire incidents. This book will be an invaluable resource on related investigative technology and techniques.
