A step-by-step walking guide takes you through more than 30 picturesque New England villages, towns, and city neighborhoods, with an emphasis on local history and architecture. This is the first and only walking guide to New England that focuses on sightseeing in towns, villages, and historic urban districts. A New England resident for most of his life, author Robert J. Regalbuto has traveled widely throughout the region and has selected walking tours in Connecticut, Rhode Island, Massachusetts, New Hampshire, and Maine that focus on historically significant and culturally rewarding locales.
