In Missed Conceptions, Michelle De Leon tells a poignant and captivating tale of love, friendship, and what it means to be a parent. The owner of a successful caf in Harlem, Shanneen Ross has attained one of her two life objectives. Now she's ready for a meaningful relationship, and a change of scenery sounds like the perfect plan. In Atlanta to help her cousin open a caf of her own, Shanneen meets an attractive ex-marine named Jeroi Black. When their whirlwind affair results in pregnancy, Shanneen is delighted. Especially when Jeroi pops the question. Now all that's left is to meet Shanneen's family. But a disturbing revelation awaits them both at her uncle Solomon's house. Shanneen returns to New York, where she meets Sebastian Lew, a gifted artist who is about to become a father. When tragedy frees Sebastian from an unhealthy relationship, he and Shanneen try to make a go of it in the face of daunting obstacles. But Jeroi is waiting in the shadows, ready to destroy Shanneen's hard-won happiness. It will take courage, faith, and a lot of love for Shanneen and Sebastian to overcome the odds in this moving, sensual, and always surprising story of what it really takes to build a family.
