Many Christians become so discouraged because of their sins and failures that they give up on ever having fellowship with God again. They also fear that their broken

relationships will never heal. For everyone who has wished for a fresh beginning, here is good news. This gentle, affirming book emphasises how much God wants his wandering children to return to him. Award-winning author and pastor Erwin Lutzer provides solutions to common questions about how to reconnect with God and with those we are estranged from. Thanks to God's grace, it is never too late to do what's right.
