For 600 years the Persian poet Hafez has been read recited quoted and loved by millions of people in his homeland and throughout the world. Like his predecessor Rumi he is a spiritual guide in our search for life's essence. Hafez is both a mystic philosopher and a heartfelt poet of desires and fears. HAFEZ is the perfect introduction to the man known as the philosopher of love whose message of spiritual transcendence through rapture and service to others is especially important now that our troubled world has moved into the 21st century. His wisdom speaks directly to the cutting edge of philosophy psychology social theory and education and can serve as a bridge of understanding between the West and the Middle East two cultures in desperate need of mutual empathy. This is the paperback edition of the hardback entitled Spiritual Wisdom of Hafez.
