The United States has been shaped by the people and events of its past. This series vividly describes events that had a major impact on U.S. history and introduces young readers to the people who shaped them. The easy-to-read text, historic art and photography, suggested activities, and clear, simple maps help bring to life the cause of these events, their effects on people at the time, and their significance today. Explore the background of the American Revolution and discover how those first shots came to be fired.
